## CRIANZA 2018

### DESCRIPTION:

A Crianza wine from D.O. Ribera del Duero elaborated with 100% Tempranillo grapes from 50 years old vines and ages during 12 months in new French oak barrels.

### WINERY AND VINEYARDS:

Bodegas Fuentespina, S.L. founded in 1994, has access to 600 ha of vineyards in small plots in the prestigious area of Ribera del Duero (being 20 ha. of these vineyards more than 90 years old) with limited yields. Thorough controls and tracking of the vineyards are done before the growth cycle of the grape starts, ensuring the highest quality standards.

### ELABORATION:

After de-stemming and crushing the grapes are sent to stainless steel vats where a cold film maceration is carried out at 5°C for 72 hours, aiming to obtain the maximum potential and richness from primary aromas. The grape is fermented with a yeast selected from the cellar at constant temperature of 25°C for a period between 7 and 10 days, prolonging the maceration 10 days more to obtain a better concentration of tannin and to improve the structure of the finished product. After the malolactic fermentation, the wine is placed in new French oak barrels where it will mature for 12 months. After a minimum of one year more ageing in the bottle, the wine is released to the market.

### TASTING NOTE:

Excellent depth of cherry red, very dark. On the nose, first black fruit aromas appear to continue with milky hints, vanillas and roasted aromas. On the palate, it is full-bodied, with an abundant and noble tannin that will continue rounding off in the bottle. Aromatic and persistent end.

### RECOMMENDATION:

Red meats, lamb, pork, big game and cured cheeses.
